

RARE GROUND FLOOR APARTMENT WITH GARDEN OUTLOOK

Ground-floor apartments rarely become available, **perfectly positioned on the bottom floor with absolutely no stairs**, easy access and the bonus of the courtyard area flowing directly onto the beautifully maintained lawn and gardens.

For buyers who have been waiting for ground-floor living, this is an opportunity not to be missed. The additional outdoor space creates a wonderful extension of the apartment, giving you more room to relax, entertain and enjoy the tropical surrounds without the maintenance of a traditional yard.

Inside, the apartment is spacious, cool and incredibly easy to live in. Fully tiled living areas, high ceilings and plantation-style doors encourage natural airflow, while the open-plan kitchen, dining and living area connect seamlessly.

Both bedrooms are generous in size with built-in wardrobes and air
